

**A4 STOCK SPECIALITY SPEC SHEET****MULTIPURPOSE (LASER/COPIER/INKJET PRODUCTS)****White Opaque Paper with a permanent adhesive (O)**

A plain white matt paper with an opaque black coating on the reverse side. The same range of overprinting methods & applications as our plain white permanent stock products plus the benefit of a label that can cover up incorrect printed information on packaging & leaflets etc without any show through.

**Face material properties**

Grammage	85 gsm
Caliper (thickness)	81 microns

**Adhesive**

A permanent, black, acrylic based adhesive with good tack & adhesion on a wide range of surfaces. The high heat resistance of the material allows clean running through laser printers.

Minimum application temp.	+5°C
Storage range once applied	-20°C to +60°C

**Backing**

A bleached kraft paper with good lay-flatness & stability

Thickness	78 microns
Grammage	75 gsm

**Environmental**

Paper components are either ECF or TCF grade manufactured using pulp from sustainable, managed resources. All dimensions are nominal target specifications, but may vary. All products within our range are manufactured under ISO9001:2008
